Maharaja's Express

Discover the irresistible allure and aura of mystique associated with India as you embark on this exemplary voyage giving you a glimpse into a bygone era of classical Indian architecture, culture and spirituality.

Take a dip at one of the Ghats by the bank of Holy Ganges as you visit one of the oldest living cities in the world Varanasi. To say that Varanasi or variously referred to as Benares or Kashi is the spiritual nerve center of Hinduism is no exaggeration. Also included in itinerary is the World Heritage site of Khajuraho Group of Monuments famous for its stone carved architecture which is said to reflect the ancient Indian text Kamasutra.
